

Standard Equipment List

Select	Product Type	Sub Item	Primary	Ergonomics Justification	Product Image	Product Number
1	Keyboard & Key pads	Compact Keyboards	Logitech MX Mechanical Mini	Designed to reduce shoulder abduction and encourage for neutral postures.		
2	Keyboard & Key pads	Compact Split Keyboards	Kineels Freestyle 2 Keyboard	Supports natural alignment, reduces shoulder strain, and promotes neutral posture.		920-010550
3	Keyboard & Key pads	Compact Split Keyboards	Goldtouch GOI2 Keyboard	Promotes natural alignment, reduces strain, and ensures portable comfort.		KB820PB-US
4	Keyboard & Key pads	External Numeric Keypads	Kineels Numeric Keypad	Reduces strain by allowing flexible, ergonomic keypad placement.		Wired- GTP-0044 Wireless- GTP-0044W
5	Keyboard & Key pads	External Numeric Keypads	Goldtouch	Flexibly positions the keypad to reduce strain and support ergonomic alignment.		AC-800HPB-US BLK
6	Keyboard & Key pads	Alternative Keyboards	Kineels Freestyle 2 Keyboard w/ V3 attachments	Reduces strain with low key force, adjustable tenting, and ergonomic split design for optimal alignment.		PC: GTC-0077 MAC: GTC-MACB
7	Keyboard & Key pads	Standard Length	Logitech K360 Keyboard	Promotes neutral wrist alignment with curved keys, palm support, and full-sized layout for comfort and ease.		PC: KB820PB-US MAC: KB830HMB-US
8	Keyboard & Key pads	Standard Length	Contour Balance Keyboard	Compact design with a negative tilt and a 10-digit number pad - reduces reaching, promoting neutral posture and comfort.		920001996 BALANCE-US
9	Keyboard & Key pads	Compact	Apple Wireless Keyboard (without numeric pad)	Designed for light to moderate use, the Apple Wireless Keyboard offers a compact, low-profile layout that reduces hand travel but may lack sufficient ergonomic support for extended typing sessions.		MC184LL/B
10	Keyboard & Key pads	Standard	Apple Standard Keyboard (with numeric pad)	Designed for light to moderate use, this wired Apple keyboard offers a sleek, low-profile typing surface that minimizes wrist bangs but, being nearly flat and lacking tilt, may not support ergonomic wrist and forearm alignment during prolonged use.		MB110LL/B
11	Palm Rests		Contour Design Balance Keyboard Wrist Rest	Minimizes wrist deviation and contact stress; supports neutral typing posture.		WR-BALANCE
12	Palm Rests	Forearm Support	Contour Design Universal Arm Support	Offloads shoulders and neck; maintains neutral upper body posture during long typing sessions.		AS-RM
13	Palm Rests		Goldtouch Gel Wrist Rests	Cushions wrist, protects median nerve; supports neutral hand position during typing.		
14	Palm Rests		Gel Mouse Pad Wrist Rest	Wrist support conforms to your wrist and redistributes pressure points		
15	Palm Rests		3M Gel Palm Rest	Reduces wrist extension and pressure during pauses in typing.		E6WR310LE
16	Palm Rests		GoldTouch SlimLine Palm Rest	Minimizes wrist extension; ideal for compact keyboards.		GT8-0017
17	Task Lighting		Humanscale Element 780 LED Task Light, Weighted Base	Improves visibility and reduces eye strain with adjustable lighting.		EDEBW
18	Keyboard Trays		Workrite Split-Pad Corner Platform	Encourages neutral typing posture and adjustability for multiple users.		
19	Monitor Risers		VuRyte 2" Monitor Riser, Square Shape	Elevates monitor to reduce neck flexion and strain.		4855
20	Mouse	Ambidextrous Mice (for Right- or Left-Hand Use)	Logitech M510 Small/Medium Mouse	Ergonomic contour; reduces thumb strain.		S9910-001822
21	Mouse	Right-Hand	Logitech MX Master 3 Mouse	Angled shape promotes neutral wrist and forearm posture.		910-005620
22	Mouse	Right-Hand	Neutral 3 Mouse	Supports wrist neutrality; available in multiple sizes.		KOV-N300BWS
23	Mouse	Right-Hand Vertical	Evoluent Vertical Mouse 4 - Size Regular	Vertical design shifts motion to arm/shoulder to reduce wrist strain.		VM4R

Select	Product Type	Sub Item	Primary	Ergonomics Justification	Product Image	Product Number
24	Mouse	Ambidextrous Vertical Mice (for Right- or Left-Hand Use)	Penguin Mouse Wired	Promotes neutral wrist posture; accommodates left/right use; various sizes support proper hand fit and reduce ulnar deviation.		9820099
25	Mouse	Trackballs	Kensington Orbit Wireless Mobile Trackball	Reduces wrist motion; ideal for compact setups or secondary mousing; may challenge precision or small hand users.		K72352US
26	Mouse	Central Mousing Devices	Contour Design RollerMouse Red	Promotes neutral posture and reduces strain with a centered roller bar and ergonomic wrist rest for comfort and hygiene.		RM-RED
27	Mouse	Central Mousing Devices	Contour Design RollerMouse Red Plus	Ensures neutral posture and wrist support while reducing strain with a centered roller bar and hygienic, memory foam wrist rest.		RM-RED-PLUS
28	Mouse	Right	Contour Design Unimouse	Reduces strain with an ergonomic design and adjustable angle for optimal wrist alignment and comfort.		UNIMOUSE-R
29	Mouse	Left	Contour Design Unimouse	Fully adjustable to fit your hand, reducing strain and promoting optimal wrist and thumb alignment.		UNIMOUSE-L
30	Chair Cushions		BackBone Backrest Cushion	Promotes upright posture by supporting lower back.		3043712-SM-MED
31	Chair Cushions		Kensington Backrest Cushion	Supports spinal curvature with conforming memory foam.		E682025
32	Chair Cushions		Fellowes professional back support	Innovative Tri-Tachment™ ensures stability eliminating constant readjustment. Built in Microban protection fights the growth of harmful bacteria for the lifetime of the product.		
33	Chair Cushions	Contoured	Mind Reader Office Chair Cushion (Memory Foam)	Provides support by relieving pressure on the lower back and promoting proper seated alignment.		6505034
34	Document Holder		3M Wide In-Line Document Holder	Standard design for ambidextrous use with minimal strain. Available in 14" and 18 inches.		Varies
35	Accessories		Contour Design Laptop Stand	Elevates screen to eye level; reduces neck flexion and forward head posture; promotes seated spinal alignment with external input devices.		CONT-STAND
36	Monitor Risers	Laptop Riser	Contour Design Laptop Rise	Promotes neutral neck posture and reduces forward head tilt commonly associated with low laptop screens.		CD-STAND
37	Webcam		Logitech C920e HD Webcam	Enables proper monitor positioning during video calls, reducing neck rotation and forward head postures associated with laptop webcams.		960-001360
38	Footrests		Kensington Solemate Adjustable Footrest	Free-floating platform allows legs to stretch for increased circulation Offers dual-position height adjustment		E656146
39	Monitor Arms		WorkRite Poise Flat Panel Monitor Arm	Reduces neck strain by promoting neutral posture through adjustable height, depth, and tilt		PA-1000-S
40	Privacy Screens	anti-glare	3M Privacy Screen – LCD	Reduces glare, minimizing eye strain and promoting visual comfort during extended use.		Varies
41	Chair	Standard	Herman Miller Aeron Chair	Promotes lumbar support and dynamic posture; reduces back and shoulder strain.		
42	Chair	Standard	Steelcase Amia Chair	Lumbar support and fully adjustable arms for personalized ergonomic comfort.		4821410
43	Chair	Standard	Neutral Posture 8500 (standard chair)	Provides all-day comfort and posture support with highly adjustable features like tilt control, seat depth, lumbar support, and multi-directional armrests for personalized sitting alignment.		NP8500

Select	Product Type	Sub Item	Primary	Ergonomics Justification	Product Image	Product Number
44	Chair	Big & Tall	BodyBilt High-Back Stretch	Adjustable 10-point posture support; extended seat and back fit taller users; promotes full spinal alignment and comfort.		J2509
45	Chair	head rest	ERGOKING Headrest Attachment Compatible with Herman Miller Aeron	Supports cervical spine and reduces neck flexion; promotes neutral head posture in Aeron chairs only.		
46	Monitor Risers		Ergotron WorkFit-S, Dual LCD Sit-Stand Workstation with 27" keyboard tray platform and work platform bundle	Offers precise ergonomic alignment with 18" worksurface lift and 5" independent monitor height adjustment, allowing users to maintain neutral posture and optimal screen angles whether sitting or standing.		33-349-200
47	Desk		Electric Sit/Stand Desk	Promotes better posture, mobility, and reduced strain by allowing smooth, adjustable transitions between sitting and standing throughout the workday.		Jarvis Table
48	Headset		Poly Voyager 4310 UC Wireless Headset (Plantronics)	Provides ergonomic comfort for extended call use with its ultra-lightweight, over-the-ear design and snug ear tip fit, ensuring secure, stable wear and minimized strain throughout the day.		B09BBWGM4T
